Good afternoon

My name is Valencia Smith and on the morning of February 4, 2019 I was injured by the door of the warming house on the 63rd Street platform. The conductor took my personal information, and I can only assume filed a report of the incident.

I would like to obtain a copy of this report for my records. If someone could back to me I would be greatly appreciative.

Please let me know if you need additional information!

Thank you
